

# The 56<sup>th</sup> International Youth Encounters - Online (Corona Edition)

Even if we have to cancel our international youth camp this year, we would like to give you the opportunity, to dive into our youth camp world online.

We offer you a colourful online program where everyone can participate and contribute. Just like at a real youth camp, five days of fun, online challenges, culture, music, dance, interesting workshops and a cosmopolitan atmosphere await you.

Get to know young people from Europe and North Africa, exchange ideas and learn about other cultures and languages.

We will meet virtually between 10:00 and 18:00 o'clock and exchange ideas virtually, discuss different social topics, do small sports challenges together and will have a lot of fun.

**When?**

3<sup>rd</sup> to 7<sup>th</sup> August 2020

**Where?**
